Dear Bob:

Let me thank you for your letter in relation to our present situation.

I appreciate your confidence and your sincerity and the very conscientious manner in which you have operated our shop since your position as Service Manager.

I like you and I am hoping and praying that this thing may be dealt with in such a manner as will enable us to return to work and operate our shop in a profitable and sane manner.

With kindest regards, I beg to remain.

Yours truly,

J. A. BARRETT
