63V13415 (cont'd) Vance's car still has the secret serial number and factory white chalk markings visible on the frame, which proves is a clean Arizona car. It was sold new Carmicheal, California.

63V34656 is also owned by Vance Shearer. It was a drag car owned by Bob Mikulic in California. It is the last of the 9 R2 Full package hardtops made in 63, and it is a Powershift car. He picked it up back in January after sitting for about nine years in an old shop in Meadville PA.
